

RIVER TO TAP

Recipient of ENR Award of Merit
Water/Wastewater

Capability Statement

Contracts: W912DR23D0006 (IDIQ) USACE Baltimore
GSA Schedule GS-00F-129GA

Our staff of industry specialists provide environmental, water and wastewater and engineering consulting services to various government agencies and municipalities. R2T's corporate philosophy is to help our clients complete sustainable projects, while serving the communities where we live and work. We are a nimble, responsive team and we are ready to assist you with addressing environmental challenges.

CORE COMPETENCIES

- R2T provides complete delivery engineering services
- Core business dedicated to water and wastewater management-related planning and engineering services
- State of the art expertise in treatment process optimization to meet current and emerging regulatory challenges

SERVICE AREAS

Water and Wastewater

- Treatment Facilities Assessment
- System-wide Water and Wastewater Master Planning
- Pumping System Analysis, Evaluation and Design
- Water/Wastewater Engineering Design
- Civil 3D/Microstation/Revit/Auto CAD
- Plant Treatment Optimization
- Asset Management
- Program Management
- Collection and Distribution Systems
- SDWA/CWA Compliance
- Drone Mapping/Photogrammetry

Water Resources and Permitting

- NPDES permit compliance
- MS4 and TMDL Monitoring and Permit Documentation
- Water resources Planning and Reporting
- Environmental Modeling and Reporting
- Hydraulic-Hydrologic Studies
- Stormwater Management
- Floodplain Mapping

Environmental

- NEPA
- Environmental Planning
- Erosion and Sedimentation Controls
- Wetland Delineation
- SWP3
- Ecology
- 404 Permitting

CORPORATE DATA

Point of Contact

Kimberly Ajy
M.S. - President
P: (770) 569-7038 ext.120
C: (678) 852-5559
F: (770) 993-5082

Office Locations

- Atlanta
- Palm Beach Gardens
- DC Metro Area
- Philadelphia

NAICS Codes

221310 – Water supply and Irrigation Services
221320 – Sewage Treatment Facilities
541330 – Engineering Services
541360 – Geophysical Surveying and Mapping
541620 – Environmental Consulting Services
541690 – Other Scientific and Technical Consulting Services

DUNS Number

- 363784302 - Georgia
- 798246919 - Florida

UEI Code

- GF65PZMB9D34 - Georgia
- XVKCSMHGUSK9 - Florida

DIFFERENTIATORS

- Dedicated staff and resources to core business
- Full service delivery team
- Proven technical capabilities to provide complex solutions to small, medium and large systems
- Flexible solutions to accommodate environmental challenges
- Leverage in-house hard bid construction data to deliver engineering solutions
- Proven track record in utilizing laser scanning and 3D modeling to deliver BIM-based design solutions.

PAST PERFORMANCE
